INTERNAL REVENUE SERVICE WARNS OF TAX SCAMS

IRS scammers are working overtime this season in an attempt to steal your identity and money. Here are a few common scams you need to be on the lookout for!

Tax-refund fraud - During the last few years, crooks have been [stealing people's Social Security numbers and then filing false returns](#) as though they were those people. The crooks typically claim a low income with high deductions and they file electronically. Then when you go to legitimately file your return, it's rejected by the IRS because somebody else already filed as you!

The whole mess typically takes about 10-14 months to straighten out if you're on the receiving end of the scam. But it turns out there's an easy solution...You can get an Identity Protection PIN from the IRS before you file your taxes.

The IP PIN is a six-digit number that must be used on a tax return, in addition to the Social Security number, to verify the identity of a taxpayer. Once you opt into the program you can't opt out. If you qualify, you will get a new PIN each year through the mail.

Visit IRS.gov/GetanIPPIN to opt into the program.

Generic IRS phone scam - The premise here is that you have a surprise tax bill you need to pay immediately to the IRS or you'll be arrested. The scammers use phone spoofing to make their number come up list as "IRS." Because they already have the last four digits of your Social Security number that gives them a further air of legitimacy. Here are some of their other tactics to watch out for:

*They use common names and fake IRS badge numbers, *They send bogus IRS e-mails to support their scam, * They call a second time claiming to be the police or department of motor vehicles, and the caller ID again supports their claim.

You're told to submit payment either by wire or by prepaid debit card. Know this: **The IRS will never contact you by phone asking for money. They communicate exclusively through snail mail.**

IRS iTunes scam - [USAToday](#) reported a 20-year-old college student was duped by someone claiming to represent the IRS into [putting \\$500 on three separate iTunes cards and \\$262 on a fourth](#), using her debit card. Why would the student do this? Because she was threatened with arrest. The scammers call persistently and also may spoof 911 calling your phone as well, according to the report.

With the iTunes gift card scam, the thieves ask you to put money on the card and then read them the 16-digit code off the back. That allows them to quickly access the cash in a way that's untraceable in most cases.

Be alert for phone and email scams that use the IRS name. The IRS will never request personal or financial information by email, texting or any social media. You should forward scam emails to phishing@irs.gov. Don't open attachments or click on any links in those emails.

New and Revised Laws for 2019

Here are some of the highlights:

- Children under the age of 2 will be required to be in a rear facing car seat. However, there are weight and height exemptions
- Stalking laws expanded to include messages on social media
- Nursing mothers will be exempt from jury duty
- School safety drills must be conducted within 90 days of the start of the school year

Alsip Police Department – Prescription Drug Take Back Box

The Alsip Police Department in conjunction with the Cook County Sheriff's Department has a prescription drug take back box located in the police department waiting area. The collection box is designed to collect outdated and unwanted prescription drugs ONLY. Proper disposal of unused drugs saves lives and protects the environment.

The Sheriff's Prescription Drug Take Back Program began assisting local towns and villages as well as Chicago wards by sponsoring Pharmaceutical Take-Back events. Today, the Sheriff's Prescription Drug Take Back Program also partners with the Metropolitan Water Reclamation District of Greater Chicago, which underwrites purchase of collection boxes for local jurisdictions and disposal of collected drugs.

Above photo is of actual collection box inside the police departments waiting

The addition of the drug take back collection box is to permit local residents the opportunity to properly and anonymously dispose of their prescriptions while ensuring proper control of these drugs.

If you have any questions regarding the prescription drug take back box please contact Ofc. R. Merlo at 708-385-6902 Ext.#249
