BEWARE OF TELEPHONE, MAIL AND ONLINE SCAMS OR ANY SOLICITOR SCAM

During this time of the year there are natural disasters that strike across the globe. After these incidents occur some form of relief campaign is needed. We wanted to remind you that whenever there is a major natural disaster or other disaster, scammers begin sending out charity relief scams and other scams almost immediately. Many scammers are very cunning, so being smart is *NOT* enough to protect yourself from dangerous Internet scams, frustrating spam mail, or deceptive Identity Theft. Use the following tips to help you.

Things to watch out for in any type of scam:

- Offers that sound too good to be true.
- Promises that you won money.
- Refuses to give you physical address for business office.
- Requests your personal or bank information.
- Use scare tactics & pressure to act *immediately!*

- Insists that you wire money.
- Gives you a check or money order and asks you to send or wire money somewhere after keeping some for yourself.
- Check with the National Fraud Information Center (NFIC) at: www.fraud.org or 800.876.7060 for valuable resources.

The Most Important Things You Can Do To Avoid Getting Scammed:

- Always use common sense. If you have a gut feeling that something isn't legitimate, you're probably right.
- Never respond to an email request for a donation, or any personal information request.
- Avoid falling for high pressure sales tactics.
- Don't respond to bulk emails.
- If you are told you won a prize, can make money, or borrow money easily, be skeptical.

If you wish to donate money consider making donations to established organizations like the American Red Cross or The Salvation Army.

Drive Sober or Get Pulled Over!

Illinois law enforcement is absolutely committed to reducing alcohol related traffic fatalities, and the Alsip Police Department is committed to helping.

Every 30 minutes, someone in America dies because of an impaired

driver & every two (2) minutes someone is injured.

The *Drive Sober or Get Pulled Over* impaired driving enforcement mobilizations take place during major holidays – times of year, when unfortunately, impaired

driving fatalities tend to be higher.

Please drink responsibly and help keep impaired drivers off our streets.
